Members present: Kevin Chandler,

### **Membership**

We have 13 active members. There will be an election of Trustees for the coming year at the March Membership meeting.

Treasurer:

The flying rate is \$125/hr for the 182. Monthly dues are \$125.

### **Safety**

This week we will have a presentation on \$100 hamburger destinations. We are planning on training programs for the membership on the 182's new Aspen avionics and autopilot.

### **N199TX**

The airplane will go into its annual inspection on Monday, March 14. It is expected to take between 1 and 2 weeks. The brakes need to be checked; one side was reportedly less responsive than the other.

### **Other**

Clem Gilliland and Ken Lawson have been granted lifetime social affiliation with the Dayton Pilots Club, in recognition of their combined 75+ years of membership.

An amendment to the DPC constitution and by-laws was proposed. It allows the club to have non-flying "associates" who may attend the club's social functions. The specific wording of the amendment is listed below. It will be voted on in March.

### **ARTICLE XVIII – SOCIAL AFFILIATES**

1. The club may establish a social affiliation for those people who wish to participate in club activities other than operating club aircraft. Such "affiliates" would be allowed to attend club social events, meetings, and other gatherings. The cost, requirements, and application process for this affiliation shall be set by the Trustees.
