The flying rate is \$120/hr for the 182. Monthly dues are \$125. The plane has been flying a lot . . . 70 hours since April.

Safety

We are planning a presentation in July on angle of attack.

N199TX

The autopilot roll servo failed again (in a different way than it failed previously.) We're taking it back to Muncie and will negotiate how much of the repair should be covered by warranty on the previously-performed maintenance. The pitch servo exhibited some porpoising, so it will be checked, too.

Other

- We will be on the ramp for RunwayFest this year. Someone will be with the plane and talking to potential members.
- Members are encouraged to use the "backup schedule" capability of ScheduleMaster to reserve a plane if another member has a conflicting reservation.
